Contract Review SOP (Engineering) v1 - Page 1

Purpose

This procedure describes how customer and supplier contracts are reviewed and signed.

Scope

This document applies to everyone working in the Engineering division. It is owned by Julia Torres and is effective from 2024-10-07.

Rules

All contracts above 10,000 USD must be reviewed by the legal team before signature.

Legal aims to return a first review within 5 working days.

Only authorised signatories listed in the signing matrix may sign contracts.

Signed contracts are uploaded to the contract repository.

Contract Review SOP (Engineering) v1 - Page 2

Procedure

1. Submit the draft contract and a short summary to legal.
2. Legal reviews the document and lists required changes.
3. The business owner negotiates the changes with the counterparty.
4. An authorised signatory signs the final version.

Escalation

Contracts with unlimited liability are escalated to the general counsel.

Contacts
