Data Retention Policy (United Kingdom) v1 - Page 1

Purpose

This policy defines how long business records are kept and when they must be deleted.

Scope

This document applies to employees based in the United Kingdom. It is owned by Kelly Donovan and is effective from 2024-11-28.

Policy Rules

Financial records are kept for 6 years.

Employee records are kept for 7 years after the employment ends.

Customer support tickets are deleted 36 months after they are closed.

Records under a legal hold must not be deleted until legal releases the hold.

Data Retention Policy (United Kingdom) v1 - Page 2

Procedure

1. Identify the record type in the retention schedule.
2. Check whether a legal hold applies.
3. Delete the record using the approved deletion tool.
4. Log the deletion in the records register.

Escalation

Questions about whether a record may be deleted are sent to the legal team.

Contacts

Send questions about this document by email to legal-help@company.local.

Document Control

Under Data Retention Policy (United Kingdom) (version 1), the standard limit is 180 days.
This is the maximum number of days between two checks of the document by its owner.

This is the first version of the document.
