Intellectual Property Policy (India) v2 - Page 1

Purpose

This policy explains who owns the work that employees create and how it is protected.

Scope

This document applies to employees based in India. It is owned by Sharon Cherry and is effective from 2024-12-17.

Policy Rules

Work created as part of a job belongs to the company.

Open-source code may only be used if the licence is on the approved list.

Inventions must be reported to legal within 60 days of being conceived.

Company logos and brand assets may only be used following the brand guidelines.

Intellectual Property Policy (India) v2 - Page 2

Procedure

1. Describe the invention or work in the IP disclosure form.
2. Send the form to the legal team.
3. Legal assesses whether a patent or copyright filing is useful.
4. Legal confirms the decision to the inventor.

Escalation

Suspected misuse of company IP is reported to legal immediately.

Contacts

Send questions about this document by email to legal-help@company.local.

Document Control

Under Intellectual Property Policy (India) (version 2), the standard limit is 180 days. This is the maximum number of days between two checks of the document by its owner.

Version 2 replaces version 1. Values and thresholds were revised in the latest yearly check.
