NDA Guidelines (United States) v1 - Page 1

Purpose

These guidelines explain when a non-disclosure agreement is needed and how to get one signed.

Scope

This document applies to employees based in the United States. It is owned by Jessica Callahan and is effective from 2024-08-07.

Policy Rules

An NDA must be signed before any confidential information is shared with an outside party.

Only the standard company NDA template may be used without legal review.

Standard NDAs run for 5 years from the date of signature.

Signed NDAs are stored in the contract repository within 5 days.

NDA Guidelines (United States) v1 - Page 2

Procedure

1. Request the standard NDA from the legal portal.
2. Fill in the counterparty details and send it for signature.
3. Store the signed copy in the contract repository.
4. Share confidential information only after the NDA is signed.

Escalation

Changes to the standard NDA wording must be approved by the legal team.

Contacts

Send questions about this document by email to legal-help@company.local.

Document Control

Under NDA Guidelines (United States) (version 1), the standard limit is 180 days. This is the maximum number of days between two checks of the document by its owner.

This is the first version of the document.
