Business Continuity Plan (Contractors) v1 - Page 1

Purpose

This plan describes how critical services keep running during a major disruption.

Scope

This document applies to contractors and temporary staff. It is owned by Pamela Boyd and is effective from 2024-12-31.

Policy Rules

Critical services must be restored within 4 hours of a major outage.

Each department keeps an up-to-date list of critical processes and contacts.

The plan is tested through an exercise every 12 months.

The crisis team meets within 1 hour of a declared disruption.

Business Continuity Plan (Contractors) v1 - Page 2

Procedure

1. The incident manager declares a disruption.
2. The crisis team meets and assigns recovery owners.
3. Recovery owners restore critical services in priority order.
4. The incident manager closes the disruption and schedules a review.

Escalation

The chief operating officer decides whether to move operations to the backup site.
