Vendor Onboarding SOP (United States) v1 - Page 1

Purpose

This procedure describes how new vendors are checked and added to the approved vendor list.

Scope

This document applies to employees based in the United States. It is owned by Jessica Gross and is effective from 2025-02-06.

Rules

Every new vendor must complete the due-diligence questionnaire.

Vendors that handle personal data need a security review before approval.

Onboarding is completed within 15 working days when all documents are provided.

Approved vendors are reviewed once every 12 months.

Vendor Onboarding SOP (United States) v1 - Page 2

Procedure

1. The requester submits a vendor request in the procurement system.
2. The vendor completes the due-diligence questionnaire.
3. Procurement, legal and security complete their checks.
4. Procurement adds the vendor to the approved vendor list.

Escalation

Vendors that fail a check can only be approved by the chief operating officer.

Send questions about this document by email to operations-help@company.local.

Document Control

Under Vendor Onboarding SOP (United States) (version 1), the standard limit is 90 days. This is the maximum number of days between two checks of the document by its owner.

This is the first version of the document.
